

## Experience

### **Miko Graphics/Design For Good People**

**July 2013-March 2014**

I designed/developed websites for various musicians and local businesses, with an emphasis on responsive design, the latest web technologies, and a quick turnaround. I handled client meetings, hosting management, coding, Wordpress setup, and web graphics.

### **Freelance Web Designer**

**November 2007-Present**

I design websites for various small businesses and local clients, focusing on detail, clarity, and ease of use. My portfolio is at <http://danielzabolotny.me>

### **Office Intern – The Daily Challenge**

**July 2010-September 2010**

I worked in an office environment for a daily newspaper, handling spreadsheets, word processing, and computer maintenance.
